MISSION STATEMENT

Tar-Rizorsi Karta, Ltd (TRK) manages funding for the deployment of environmentally safe technologies to meet real world requirements for: water, power, shelter, and food on an evergreening humanitarian basis. Toward this objective TRK acts on its own behalf with its own capital. Further, it provides treasury management capacity for its affiliates, solely in investment grade governmental and institutional securities. TRK acts solely and exclusively on its own behalf utilizing only its own capital and acts for its affiliates utilizing only their own capital. TRK never manages nor acts on behalf of any entity outside of its affiliated group.

This process, informed by unrivaled capacity and experience, allows the affiliated group to which TRK belongs to both produce cash management returns, and to provide sovereign counterparties with practical goal-oriented project solutions. TRK as a counterparty principal, conducts itself relative to the management of funding each humanitarian project in conformity with its mission statement and unerringly ethical standards.

MANAGEMENT

Management responsibility and strategic planning for TRK rests with Judah Pinchas Benay. Mr. Benay's efforts are guided by the extraordinary cash and treasury management experience represented in TRK's Board of Directors. Moreover, Mr. Benay is supported by management experienced in all phases of the banking, finance, cash and treasury management. This team represents decades of hands-on experience and relationships in global institutional markets.

The Board

The Board of TRK consists of:

Judah Pinchas Benay, Managing Director, TRK, LTD

Mr. Benay is a mathematician who has employed this capacity in business. Further, Mr. Benay engages as an anonymous, but important charitable actor with a philanthropic background that has involved the giving of his time, expertise, and resources.

Mr. Benay currently dedicates the principal portion of his time to identifying and developing technologies related to shelter, sustenance, and the provision of power and water.

Management (continued)

VJ Andrew Angelo, Director, TRK, LTD

Mr. Angelo is a senior banking expert with over thirty-five years' experience in the financial sector. He has worked in New York, Europe, the UK and Asia in a variety of financial product development, technology, investor relations and product structuring roles.
